Membership Benefits

The Michigan Meat Association serves as a resource for small and mid-sized meat processors. We do this by:

- Providing **professional development** and networking opportunities at our annual convention
- Sharing information about activities and pertinent industry news through our **monthly newsletter**
- Maintaining an **online membership directory** including processors, suppliers, associate and affiliate members' contact information
- **Promoting Michigan meat processors** at State level functions
- Supporting the Michigan State University meat program and the **education of future meat industry professionals**
- Providing our membership with **valuable information and resources regarding State and Federal inspection and regulations**

The Michigan Meat Association is not a regulatory body and is not involved in the enforcement of any State or Federal regulations.
